MAKE A DIFFERENCE IN THE LIFE OF A CHILD!

Help local children who get declared into foster care!

The children in our community need our help! More often than we would hope, children are declared into foster care or the care of a relative or family friend. In some instances, these children are unable to take their belongings with them and it is up to us to help them with this transition. The Department of Health and Welfare and their on-call team is in need of items to provide to local children whose lives have drastically changed. It's time to make a difference in a child's life. Collections will be received at Bowladrome for the whole month of November. Cash donations will also be gladly accepted, call (208)-731-4436 to make arrangements.
